re: Manuscript entitled "**TITLE**" (the "Contribution"):
for publication in **Journal of Research in Rural Education** (the "Journal")

The Lead Author and Co-Authors are collectively referred to as "Authors" and individually as an "Author."

AUTHOR STATUS

- I am the sole author of the Contribution.
- I am one author signing on behalf of all co-authors of the Contribution.
- The Contribution is a work made for hire. Both the Author and an authorized representative of the Author's Employer must sign.
- I am a contractor of the US Government under contract number: _____ and the US Government retains a non-exclusive, paid-up, irrevocable, worldwide license to publish or reproduce the published form of this Contribution, or allow others to do so, for US Government purposes.

Authors represent and warrant that they own the copyright in the Contribution unless one of the following is checked:

- I am a US Government employee and the Contribution was prepared as part of my official duties. Therefore the Exclusive License to Publish does not apply.
- We are all US Government employees and the Contribution was prepared as part of our official duties. Therefore the Exclusive License to Publish does not apply.
- I am a US Government employee but some of my co-authors are not.
- I am not a US Government employee but some of my co-authors are.

ETHICS & DISCLOSURE

Authors represent and warrant the below representations:

- The Contribution I have submitted to the journal for review is original, has been written by the stated authors and has not been published elsewhere.
- The Contribution was not submitted for review to another journal while under review by this journal and will not be submitted to any other journal.
- All individuals identified as Contributors actually contributed to the Contribution and all individuals who contributed are included.
- All financial and material support for the research and work in the Contribution has been disclosed.

- The Contribution details any financial interests the Contributor or any co- Contributors may have in companies or other entities that have an interest in the information in the Contribution or any submitted Supplemental Materials (e.g., grants, advisory boards, employment, consultancies, contracts, honoraria, royalties, expert testimony, partnerships, or stock ownership).
- The Contribution and the Supplemental Materials contain no libelous or other unlawful statements and do not contain any materials that violate any personal or proprietary rights of any other person or entity.
- I have obtained written permission from copyright owners for any excerpts from copyrighted works that are included and have credited the sources in the Contribution or the Supplemental Materials.
- Except as expressly set out in this License Agreement, the Contribution is not subject to any prior rights or licenses, and if my or any of my co-authors' institution has any policy that might restrict my ability to grant exclusive rights under this License Agreement, a written waiver of that policy has been obtained.
- If I am using any personal details or images of patients, research subjects or other individuals, I have obtained all consents required by applicable law and complied with the publisher's policies relating to the use of such images or personal information. • Any software contained in the Supplemental Materials is free from viruses, contaminants or worms.
- If the Contribution or any of the Supplemental Materials were prepared jointly with other authors, I have informed the co-author(s) of the terms of this License Agreement and that I am signing on their behalf as their agent, and I am authorized to do so.

EXCLUSIVE LICENSE TO PUBLISH

LICENSE OF PUBLISHING RIGHTS. Author hereby grants to Journal the exclusive worldwide right and license to reproduce, publish, republish, prepare all foreign language translations and other derivative works, distribute, sell, license, transfer, transmit, and publicly display copies of, and otherwise use, the Contribution, in whole or in part, alone or in compilations, in all formats and media and by any method, device, or process, and through any channels, now known or later conceived or developed; and the exclusive right to license or otherwise authorize others to do all of the foregoing, and the right to assign and transfer the rights granted hereunder. To the extent that any right now or in the future existing under copyright is not specifically granted to Journal by the terms of this Agreement, such right shall be deemed to have been granted hereunder.

No rights in patents, trademarks or other intellectual property rights are transferred to the Journal.

SUPPLEMENTAL MATERIALS. With respect to Supplemental Materials that Authors wish to make accessible either through a link in the Contribution or on a site or through a service of the Journal, Authors grant Journal a perpetual, non-exclusive license to publish, post, reformat, index, archive, make available and link to such Supplemental Materials, in all forms and media (whether now known or later developed) and the right to assign and transfer its rights in the Supplemental Materials. "Supplemental Materials" shall mean additional materials that are not an intrinsic part of the Contribution, including but not limited to experimental data, e-components, encodings and software, and enhanced graphical, illustrative, video and audio material.

CREATIVE COMMONS LICENSE.

The Journal will apply the Creative Commons Attribution-Noncommercial-NoDerivs 4.0 License (CC BY-NC-ND) to the Contribution where it publishes the Contribution in the Journal.

The CC BY-NC-ND license allows users to copy and to create excerpts from the Contribution for non-commercial purposes provided that the user gives appropriate credit [Title of Article, Contributor, Journal Title and Volume/ Issue, Copyright © [year], copyright owner as specified in the Journal, Publisher] and provides a link to the license. The full details of the license are available at <http://creativecommons.org/licenses/by-nc-nd/4.0/>.

CONTRIBUTOR USES. Authors shall retain the copyright subject to the license terms above in the Contribution and will have the same rights to reuse the Contribution as those allowed to third party users of the Contribution under the CC BY-NC-ND License.

FINAL PUBLISHED VERSION. Journal licenses back to the Contributor the following rights with respect to the final published version of the Contribution:

1. Oral presentations. The right to make oral presentations based on the Final Published Version.
2. Re-use in other publications. The right to re-use the Final Published Version or parts thereof for any publication authored or edited by the Contributor (excluding journal articles) where such re-used material constitutes less than half of the total material in such publication. In such case, any modifications must be accurately noted.

The Final Published Version may not be used in seminars outside of normal teaching obligations (e.g. commercial seminars).

TERMINATION. This Agreement must be signed by or on behalf of all the copyright holders in the Contribution as a condition of publication. Journal makes no guarantee that the Contribution will be published in the Journal. If for any reason the Contribution is not published in the Journal, then all rights in the Contribution granted to Journal shall revert to Authors and this Agreement shall be of no further force and effect, and neither Journal nor Authors will have any obligation to the other with respect to the Contribution.

WARRANTIES. Authors, jointly and severally, warrant and represent that: (a) all Authors have the full power and authority to enter into and execute this Agreement and to license the rights granted herein, and that such rights are not now subject to prior assignment, transfer or other encumbrance; (b) the Contribution is the original work of Authors (except for copyrighted material owned by others for which written permission has been obtained), has not been previously published in any form, and has been submitted only to the Journal; (c) the Contribution does not infringe the copyright or violate any proprietary rights, rights of privacy or publicity, or any other rights of any third party, and does not contain any material that is libelous or otherwise contrary to law; (d) all statements in the Contribution asserted as fact are either true or based upon generally accepted professional research practices, and no formula or procedure contained therein would cause injury if used in accordance with the instructions and/or warnings included in the Contribution; and (e) any studies on which the Contribution is directly based were satisfactorily conducted in compliance with the governing Institutional Review Board (IRB) standards or exempt from IRB requirements.

In the event that any of the foregoing warranties or representations are breached, Authors, jointly and severally, shall indemnify and hold harmless Journal, its trustees, officers, directors, employees, members, and agents from and to the extent that any loss, damage, claim, expense, or liability results from any acts or omissions, including any claims of copyright infringement.

Any information, materials or Services furnished by Journal pursuant to this Agreement are on an "as is" basis.

JOURNAL MAKES NO WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, AS TO ANY MATTER, INCLUDING BUT NOT LIMITED TO WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, MERCHANTABILITY, PATENTABILITY, OR THE ABSENCE OF LATENT OR OTHER DEFECTS, WHETHER OR NOT DISCOVERABLE. NOTHING IN THIS AGREEMENT SHALL BE CONSTRUED AS A REPRESENTATION MADE OR WARRANTY GIVEN BY JOURNAL THAT THE USE OF THE SERVICES BY ORGANIZATION SHALL NOT INFRINGE THE INTELLECTUAL PROPERTY RIGHTS OF ANY THIRD PARTY.

IN NO EVENT SHALL JOURNAL, THE PENNSYLVANIA STATE UNIVERSITY, ITS TRUSTEES, DIRECTORS, OFFICERS, EMPLOYEES, OR AFFILIATES BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, INCLUDING ECONOMIC DAMAGE OR INJURY TO PROPERTY AND LOST PROFITS, REGARDLESS OF WHETHER IT SHALL BE ADVISED, SHALL HAVE OTHER REASON TO KNOW, OR IN FACT SHALL KNOW OF THE POSSIBILITY.

MODIFICATION. No amendment or modification of any provision of this Agreement shall be valid or binding unless made in writing and signed by all parties. This Agreement constitutes the entire agreement between the parties with respect to its subject matter, and supersedes all prior and contemporaneous agreements, understandings and representations. The invalidity or unenforceability of any particular provision of this Agreement shall not affect the other provisions, and this Agreement shall be construed in all respects as if any invalid or unenforceable provision were omitted.

I have read and agree to the terms of the License Agreement.
